Working For Dollar\$

With an unstable economy causing an increase in prices, more students were forced to find jobs. Car payments and insurance premiums were the reasons some students went to work while others just wanted to earn extra money for weekend fun. With the label and preppie craze, many students worked to pay for expensive, in-style clothes. However, most students worked to further their education.

With the Reagan administration cutting

educational funds, colleges and universities were forced to increase tuition. College-bound students worked to pay or at least to help pay their way through college. Students preparing to seek a career in the adult world realized more and more vocations require a college degree.

Whatever the individual reasons for working might have been, this year brought an increase in the number of students seeking employment.

Launched Into A New Era

This past year the United States was "Launched into a New Era" as the shuttle Columbia successfully completed its maiden voyage in November, 1981. With the coming of the age of the shuttle, many mysteries of space can be solved. One fascinating discovery resulting from the Voyager II exploration was the differences in Saturn's complex system of rings.

On an international level, assassinations and assassination attempts shocked the world. On March 30, 1981, an attempt was made on President Reagan's life followed soon after by an effort on the life of Pope John Paul II. Both President Reagan and Pope Paul were wounded but eventually recovered. However, the strongest felt loss world-wide was the murder of Egyptian President Anwar Sadat on October 6. This peace loving man was killed while viewing a parade in Cairo, Egypt.

An event which brought anguish to the hearts of all freedom loving people was the treatment of the Polish people after the denunciation of their Communist controlled government. The final confrontation came when the people wanted recognition of labor unions. In response the government declared martial law.

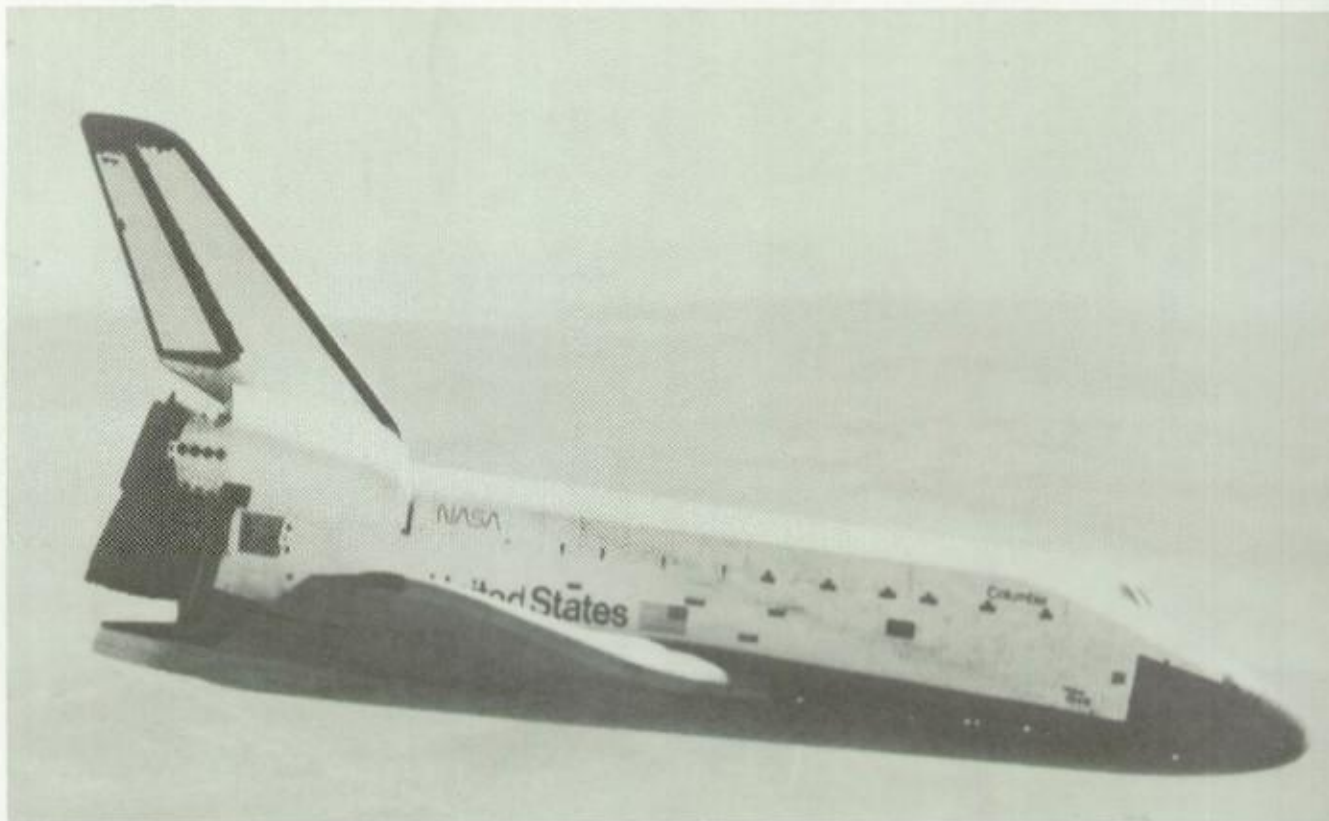

On the lighter side of the news the "Wedding of the Century" took place on July 29, 1981, when England's Prince Charles took Lady Diana as his wife. The rescue of General James Dozier after 42 days of captivity by the Italian Red Brigade was greeted with prayers of thanksgiving and praise for the Italian police.

In the sports arena, the Los Angeles Dodgers won the World Series after a summer of negotiations and strikes. California received recognition again when the San Francisco Forty-niners beat the Cincinnati Bengals in the Super Bowl. On the college level Clemson beat out several contenders to become the number one football team. The Boston Celtics came out on top in professional basketball.

As time was running out, ERA forces rallied in efforts to have the amendment ratified. However, final results are still not known.

Fort Walton Beach High School experienced change on a lesser but still important scale. With reduced enrollment, there were only two lunch periods while reduced federal subsidies caused lunch prices to increase to \$1.10. The '81-'82 school year was also the year for accreditation by the Southern Association of Colleges and Schools which meant hours of work and numerous committee meetings. The school gym was expanded making it possible to seat the entire student body for pep rallies and other events. For students as well as faculty members it was a year of change and progress.

Our Fearless Leaders

With the support and leadership of a true Viking, Mr. C.F. Reynolds, the faculty, staff, and student body made it through yet another successful year. In addition to being a spirited and supportive Viking, Mr. Reynolds participated in community affairs and was chosen to serve as co-chairman of the United Way Annual Campaign titled "Local People Meet Local Needs."

Mr. Reynolds, always ready with his cheerful smile, was a man FWBHS can truly be proud of.

Mrs. Olive Ogle, the curriculum coordinator, was a vital part of the administration. She patiently organized records, report cards, schedules, and other general information related to the school.

"Sorry, I overslept!" was the familiar cry of tardy students as they walked humbly into Room 303 to face their respective administrator. Mr. Richard Prine, Mrs. Johnnie Merchant, and Mr. John Melton were responsible for deciding the legitimacy of the excuses and getting students to class on time.

Mr. Reynolds receives a balloon bouquet from the faculty and staff on Bosses' Day. Former graduates are welcomed during Homecoming celebrations. As co-chairman of the United Way, Mr. Reynolds is kept busy.

It's Good To Know

Business education included instructional programs for all students according to their interests and needs.

The business programs provided career awareness, orientation to work, appreciation for the dignity of work, and exploration of career opportunities and requirements through basic and vocational courses in keeping with technological changes.

The department's facilities and up-to-date equipment included electronic memory typewriters, dictating-transcribing machines, calculators, and electric typewriters in all typing rooms. Computers were utilized in Accounting to teach accounts receivable, accounts payable, and payroll and in Secretarial Office Procedures to teach word processing.

FBLA, the vocational youth program for business students, provided leadership training, additional opportunities for students to develop vocational and career supportive competencies, and promoted civic and personal responsibility.

The requirements for entrance into the drivers ed. program included, a minimum age of 15 years old, and possession of a restricted operators license (issued by the Department of Motor Vehicles).

To those students who endured the daily maze of cones, parallel parking, exhaustive road testing, and the multitudes of multiple choice questions — WE SALUTE YOU!

E n g l i s h

Students in English classes, especially Comp. II, suffered writer's cramp as they concentrated on expressing themselves precisely. The Advanced Placement and Gifted English Classes gave students an opportunity to read good literature and study it critically. For those who like more vocal expression, there were drama and oral communications. New Humanities classes provided a look at culture from ancient Greece to the contemporary scene. For students of all abilities and interests there was a class available.

Foreign Language

A wide variety of foreign languages was offered including Spanish, French, Latin, and German. What would a high school be like without a library? Students would have no place to study, read, or, most importantly, talk with friends. The books range from fiction to biographies to science, the magazines from *National Geographic* to *Glamour*.

As the school year dragged on, students found that algebra equations and geometry equalled an abundant burning of midnight oil. The teachers found that the greatest challenge they faced was to motivate.

From practical consumer math to college level calculus, the math department offered a wide range of classes for students to take. A new course offered at FWB was computer math. Make a Joyful Noise

From the beginning guitar player to the seasoned instrumentalist, the music department had a place for every musician and singer. For improving musical skills, a wide choice of classes was available. In the choral section students could choose mixed chorus, Voices of Valhalla, or boys' and girls' chorus. Musicians could participate in concert, symphonic and marching bands. A class for those interested in guitar was also offered.

Sandra Schroeder, Jill Baughman, Alannah Johnson, and Sally Anthony sing their hearts out.

Mr. Hicks directs the many talented singers in the chorus.

From a friendly game of tennis to the vigorous competition of football, physical education students took part in many different activities. The physical education department offered something for everyone. If a student wanted to keep physically fit he could take General P.E., or if a regular athlete wanted to keep in shape during the off-season, he could take various classes such as weight-lifting.

General P.E. was offered to the student who wanted to participate in a variety of team sports. For the student who desired to participate in sports at the competitive level, Advanced P.E. was offered.

Flying high in a C-130 was just one of the many activities of the R.O.T.C., unit. The cadets began their activities in the summer attending classes and lectures at Hurlburt A.F.B.

During the school year, the cadets raised the flag at football games, marched in parades and defended their title as the 1980-81 champions of the Eglin A.F.B. Drill Team Competition.

The cadets held parties for veterans on Christmas, Valentines Day, and other holidays at the Teresa Village Old Folks' Home. In January, the cadets treated their parents to a formal dinner and show, and in May they escorted their sweethearts to the Military Ball.

Social Studies

From testing reflexes to debating over ERA, the social studies courses at FWBHS covered a wide range of topics. Juniors could be seen reluctantly trudging to their American History classes, while Comparative Political and Economic Systems (CPOES) students studied the pros and cons of democracy and communism. For a more detailed look, ambitious students braved the advanced placement American History classes. Electives, from world history and geography to American Government and Economics were available for all grade levels.

To enrich the American History classes there are many audio-visual materials available.

Putting together styrofoam models, examining microscopic organisms, and driving the teachers crazy in the lab were only a few of the activities that went on in the science department. Most sophomores signed up for biology, a prerequisite for all other science courses. The department granted students the opportunity to take other courses of their own interests. These included everything from the equations and formulas of chemistry to the "savory" aroma of dead jelly fish in oceanography. Physics, and its quantitative examination of time, space, motion, and matter, was offered for the college-bound student, as was anatomy to those who were interested in medicine, nursing, or other related careers.

The Bay Area Vocational Technical School provided area senior high school students a head start in the technical job market. Juniors and seniors had the opportunity to increase their knowledge and skill by selecting a half day or full day course. Courses included such practical areas as auto mechanics, carpentry, child care, electrical wiring, nursery operations, cosmetology, and many others.

Secretaries

Whenever a student needed assistance, the secretaries were there to help out. They solved problems such as leaving school early, purchasing a football ticket, or getting a band aid. These ladies deserved many thanks for all their efforts.

Mrs. Kippy Olson always has a smile despite her busy schedule.

Loyal Workers

The cafeteria workers and the custodial staff were the necessary ingredients for a smooth running school.

Countless hours were spent preparing a la carte or Type A lunches which resulted in well-fed teachers and students. The custodians put in long hours before and after school so that everyone could enjoy working and studying in attractive surroundings.

STUDENT LIFE

Friday Night Delight

November 20, 1981 — an invigorating chill filled the air, and the skies were clear — the perfect evening for THE football game.

Filled with activities, the week prior to the Fort Walton-Choctaw game sparked with excitement. Each day was a spirit day: Mock Choctaw, Sock Day, Punkout, and Spirit Tag Day. Thursday night, the eve of the game, an open house and pep rally, highlighted by the presentation of corsages and ribbons to the parents of the football players and senior cheerleaders, was held. Friday was a day tingling with nervous anticipation of the night to come — and what a night!

The stunning patriotic pre-game show performed jointly by the Fort Walton band and the Choctaw band was a real crowd pleaser.

The game ended with the Vikings on top 14-7, and Viking pride burst forth in all its glory as the trophy came home with the Vikings for another year.

The football team proudly marches around the gym during the victory pep rally.

LEFT: Whitney Hannah hugs his mom after the game. ABOVE: Students cheer excitedly as the Vikes score the winning touchdown. CENTER: Coach Eddie Davenport commends the team for their playing and the students for their support. RIGHT: "We did it!" shouts Mr. Fletcher.

Kara - I'm glad I got to know you this year. I didn't know you were C. brother tell you hurt your foot? I feel you can do everything you want if you'll work hard enough. 6th Pd was some kind of class, wasn't it? They are like that sometimes. Koss in touch. Love, Mr Fletcher

LEFT: Pat O'Neal gives his mother a corsage and his father ribbons. CENTER: A participant in the sock day enjoys studying in the sunshine. RIGHT: Marching through the school, the band led the students to the pep rally. CENTER L: A charming group of Sex-o-lettes entertained the Viking crowd at the pep rally.

CENTER R: The bands at FWBHS and Choctaw practiced many nights in preparation for the pre-game show. BOTTOM L: Many parents attended the evening pep rally to get in the spirit for the game. BOTTOM R: Two "punk rockers" enjoy themselves at lunch.

Play Time

The first play of the season, presented by the Thespian's was **Reynard the Fox**, written by Authur Faugues and translated by Marie Louise Reolants. It was about the good and the bad in everyone, and the hypocrisy of those who would be the judge of others.

Fighting for a drink of water are Brian Pascoe and Jason Lynch.

Listening to the Reverend's prayer by Stephanie Nunn, Rodney Marshall learns a lesson.

Sandra Schroeder lends a helping hand while Doug Spitler thinks of the waiting crowd.

Jason Lynch and Doug Spitler fight for the forest championship as Rodney Marshall watches.

Cast and Crew First row: Steve Yoder, Connie Hill, Lori Gordon, Ron Nieto; Second row Rodney Marshall, Doug Spitler, Sandra Schroeder, Brian Pascoe, Tim Durning, Jason Lynch, Philip Gray, Stephanie Nunn, Paul Merrill.

Doug Spitler, who played Ysengin, defeats Jason Lynch as Reynard.

Thomas and Sandra Schroeder are in the act of hanging up in last minute preparations.

Fauquez used animals to help portray the conflict. The actors had to study the characteristics and mannerisms of each of their characters. With the help of extensive make up and elaborate costumes, the students presented a play that provided thought-provoking entertainment for its audience.

Making new faces out of old ones, Lori Gordon prepares Stephanie Nunn for the play.

The hanging of Reynard provides a tense moment.

"Come with me your majesty," says Doug Spitler to Tim Durning.

Under The Lights

The final selection of one student to represent our school as Miss Fort Walton Beach High School was made on February 8, following a series of parties and interviews with the five judges.

The event, staged in the school auditorium, included talent presentations and evening gown competition by 28 contestants. The theme of the show was "All-American Girls."

Elizabeth Couey was crowned Miss Fort Walton Beach High School during the colorful pageant. She represented the school newspaper *Northwind*.

Runners up included Jackie Mercer, first runner-up, sponsored by Harambee. Second runner-up, Fran Coon, was sponsored by the Beta Club. Lori Hasson, Third Runner-up, was sponsored by the Wheelettes. Kim McNulty was selected fourth runner-up. She was sponsored by the Student Council.

The junior class officers who spent many hours of preparation to make this evening a success included President, Michelle Anchors; Vice President, Philip Gray; and Secretary/Treasurer, Suzanne Stafford. With extra help from Mrs. Merchant and Mrs. Kline. The master of ceremonies was physics teacher, Mr. Bob Fletcher.

The 1981 Miss FWBHS, Linda Thompson, awaits to give her crown to the new Miss FWBHS.

Practice makes perfect and the contestants put out 100 percent effort into rehearsals.

First runner up, Jackie Mercer; second runner up Fran Coon, third runner up Lori Hasson; and fourth runner up Kim McNulty.

Capturing the attention of the audience, Brenda Tapp plays *Something* for her flute solo.

Yvonne Lovaglio sings of the good memories gone by.

Accompanied by the mellowness of a guitar, Karen Dowdy sings *Spirit in the Air*.

Miss Congeniality, Suzi Nicholson, does a dance to *Private Eyes*.

Philip Gray, third runner up; Paul Dalton, Mr. Striking Viking; Buddy Pritchard, second runner up; Vince Stamey, first runner up.

Let's Get Physical

After several weeks of preparation, the 1982 Mr. Striking Viking Contest was a tremendous success for the Keyettes. For the past several years, the Keyette club has staged this male pageant as their major service project. The profits are donated to needy organizations in the community.

The contest, with the theme "Let's Get Physical," took place February 11, in a very crowded auditorium. The judges, Lynne Grubbs, Terri Luciana, Andrea Georgiades, and Russ King chose Paul Dalton, Mr. Striking Viking. Other contestants placing in the contest were Vince Stamey, Buddy Pritchard, and Philip Gray. The Keyettes chose Vince Stamey as Mr. Sex Appeal, while the contestants themselves elected Vernal Smith, Mr. Good Guy.

The fifteen contestants, Emcee Kendra Veach, Keyette Sponsor Miss Annette Humphreys, and Keyettes who worked on Striking Viking made this production both highly profitable and fun.

As the doors opened August 24, the juniors of '81, now the exalted seniors, walked cool in minutes after the tardy bell, offering no excuses.

The senior year was soon over. Twelve years of memories included metal lunch boxes painted with the favorite super-heros, junior high dances in the cafeteria, driver's license exams, drive-in movies, football games, spring breaks, exams, proms, senior skip day, and the final time to be together . . . Graduation.

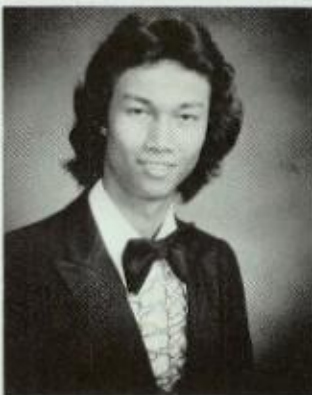

Many day to day experiences influenced the life of each senior and should never be forgotten. Skipping first period to eat breakfast at McDonald's, checking out early to go to the beach or to finish a paper, sitting in the senior section at the pep rallies, leaving for lunch five minutes early, or just having the self-satisfaction of making it through the last year alive were some of the immortal, everlasting moments.

Finished with high school, a new, adventurous future lies ahead with the class of '82 making decisions and carrying them out. Although a new life awaits, those wild and crazy high school years will never be forgotten.

Those Who Are Moving Up . . . Juniors

The great feeling of never being called a sophomore again was one of the best things about becoming a junior. Although being a junior was fun, there was also a lot of hard work and responsibility involved.

Highlighting the junior class activities were the junior-senior prom and the Miss Fort Walton Beach High School Pageant, both of which turned out to be quite a success. The prom was financed through the magazine sales, and the juniors did a super job, selling more magazines than ever before.

It was a great year, but now it's time to move on, and become the senior class of 1983.

Susie Shallcross, Mark Loveland, and Sharon Nieber work together to get the job done.

Kara,
Well, now that I've
gotten to know you a lot
better this year, I think
you're great. You make me

The apprehension and excitement of finally entering Fort Walton Beach High School soon gave way to hard work on Homecoming, candy sales, long hours spent studying, active involvement in clubs, and spirited participation in sports. In this way the newest Vikings added their special touches to help make FWBHS #1.

The Vikes display their strategic defense.

Smooth Moves

PINE FOREST — In this season's opener, Fort Walton Beach utilized the arm of Charlie Smith, the legs of Mike Miles, and the toe of Scott Mankewitz to open the high school football season with a 24-13 victory over the Pine Forest Eagles. The Eagles scored first but the Vikings came fighting back as Charlie Smith burst through on a quarterback sneak from the one for a touchdown to end a six play, 37 yard march. Scott Mankewitz tied the tally with the first of three successful extra point kicks. Fort Walton Beach went ahead to stay with 9:52 left in the second quarter when Mike Riviezzo recovered a fumble following a kick-off. Mike Miles picked up 111 yards on 24 carries while Scott Harris added 27 yards on seven carries. Greg Delone chipped in with a 17 yard scamper. James Dorman pulled in a 18 yard touchdown toss, and Worth Davis caught a 17 yard pass. The defense played outstanding ball throughout the game allowing only 159 yards to the Pine Forest team.

WOODHAM — Opening on their home field, defeat did not come lightly for the Vikings as they suffered their first loss to the Woodham Titans with a score of 21-13. The Titans took immediate action by putting 14 points on the board before the Vikes could send Mike Miles into the end-zone on a six yard run, complete with a Scott Mankewitz extra point. With 36 seconds left in the second quarter, Woodham bounced back and accumulated another seven points. Not until the fourth quarter did the scoreboard shift again. A completed 15 yard pass from Charlie Smith to Mark Duncan on third down put the ball on Woodham's 38. One play later, six points were added by another Miles maneuver. The only two Vikes gaining ground yardage were Miles with 90 yards and Scott Harris with 59 yards. Charlie Smith had an effective passing game of 5-6-1 for 54 yards.

Unleash The Power

THEODORE — The Vikings brought home another victory as they defeated the tenth ranked Theodore Bobcats with a close score of 22-20. After the Bobcats first score the ensuing kickoff sailed out-of-bounds and Fort Walton Beach took over on the 40. The Vikes drove downfield in ten plays, highlighted by a 29 yard Miles run to the Theodore two. Davis, taking his turn at quarterback, sneaked over for the touchdown. A two point conversion put the Vikings ahead 8-7 at halftime. To begin the third quarter, Fort Walton took the kickoff 71 yards on 12 plays. Smith capped the drive with a pass to Joe Sharpe in the

endzone, and Mankewitz kicked the extra point. The Bobcats came right back leaving the Vikings with a slim 15-13 lead. Glenn Stoltz capped a Viking touchdown drive that covered 70 yards with a 6 yard sweep to pay dirt.

ESCAMBIA — Seven points during overtime led the Vikings to another victory against the Escambia Gators in Pensacola with a score of 21-20. It was the second quarter before the Vikes could overcome a 7-0 deficit. Mike Miles' 50 yards in 10 carries, Charlie Smith's third down pass to Greg Delone for 13 yards, and Worth Davis' 15 yards paved the way for Miles' 2 yard plunge

over the goal line. A Scott Mankewitz kick evened the score. With 10:22 remaining, the Vikes marched 91 yards with the assistance of Miles, Smith, and Davis and scored another Miles touchdown. Mankewitz replayed his scoring kick. Both sides unsuccessfully traded punts in the third; however, a Gator touchdown tied the score, 14-14 in the fourth. Charlie Smith tossed an 8 yard pass to James Dorman, and Scott Mankewitz booted the all-important extra point in overtime to provide the margin of victory for the FWBHS Vikings.

See How They Scored

GODBY — The Vikings rolled over the Tallahassee Godby Cougars with a score of 34-14 in a victorious Homecoming game.

Roan Seay took the opening kickoff and returned it 18 yards to the 22. From there the Vikes marched 78 yards in 13 plays aided by a 15 yard roughing the kicker penalty, with Smith hitting Dorman with 5:21 remaining to cap the rally.

The drive was highlighted by a nine yard Smith to Worth Davis pass and a 10 yard Mike Miles run. At the 28 Smith faked up the middle and lofted a pass to Dorman, who was wide open at the 15, and danced into the endzone.

Miles returned a 39 yard Godby punt 28 yards early in the second quarter when the Vikes got going again. Fort Walton Beach made it 20-0 as the second quarter moved toward its end when it marched 73 yards in just six plays with Smith again taking it over from the one. This march was highlighted by a pair of Bert Reeves runs of 16 and 46 yards.

The final score came when Steve Hall recovered a fumbled punt on the 16 yard line. On the first play from scrimmage Mike Riviezzo burst into the open on a draw play and easily coasted into the endzone making the score 24-14.

MOSLEY — Panama City Mosley took every advantage of the Vikings, turning them back 21-6.

Mosley built a 7-0 halftime lead despite four Viking turnovers. The second half opened, and Mosley drove 73 yards in 10 plays to put six more points on the board. The kick was good. Both teams scored in the fourth quarter. It was Mike Miles on a two yard run that kept the Vikes from being held scoreless. Despite 21 yielding points, the Viking defense put forth an outstanding effort considering they spent much of the game on the playing field. Leading rushers were Mike Miles with 44 yards and Bert Reeves with 22 yards while Charlie Smith had 9-15-2, 81 passing record.

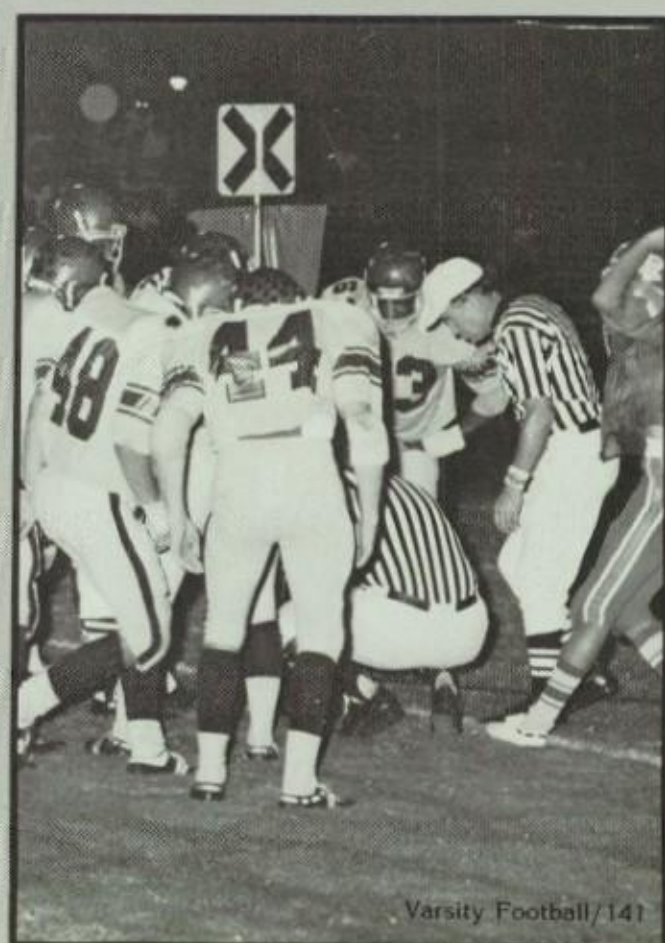

COACHING STAFF — First row: Larry Olson, Eddie Davenport, Mike Killimet. Second row: Paul Streaker, Tom Britt, Jim Mueller, Paul Pope, Bob Kellogg, Ernie Green.

Supersports

TITUSVILLE — The Vikings were defeated as the tenth ranked Titusville Terriers scored three touchdowns in the first half and held FWB to 78 yards rushing to post a 20-7 victory in football action. The Vikings' sole score came when Mark Duncan hauled in a six yard pass from Charlie Smith in the third quarter, and a Scott Mankewitz kick for the extra point cut the gap.

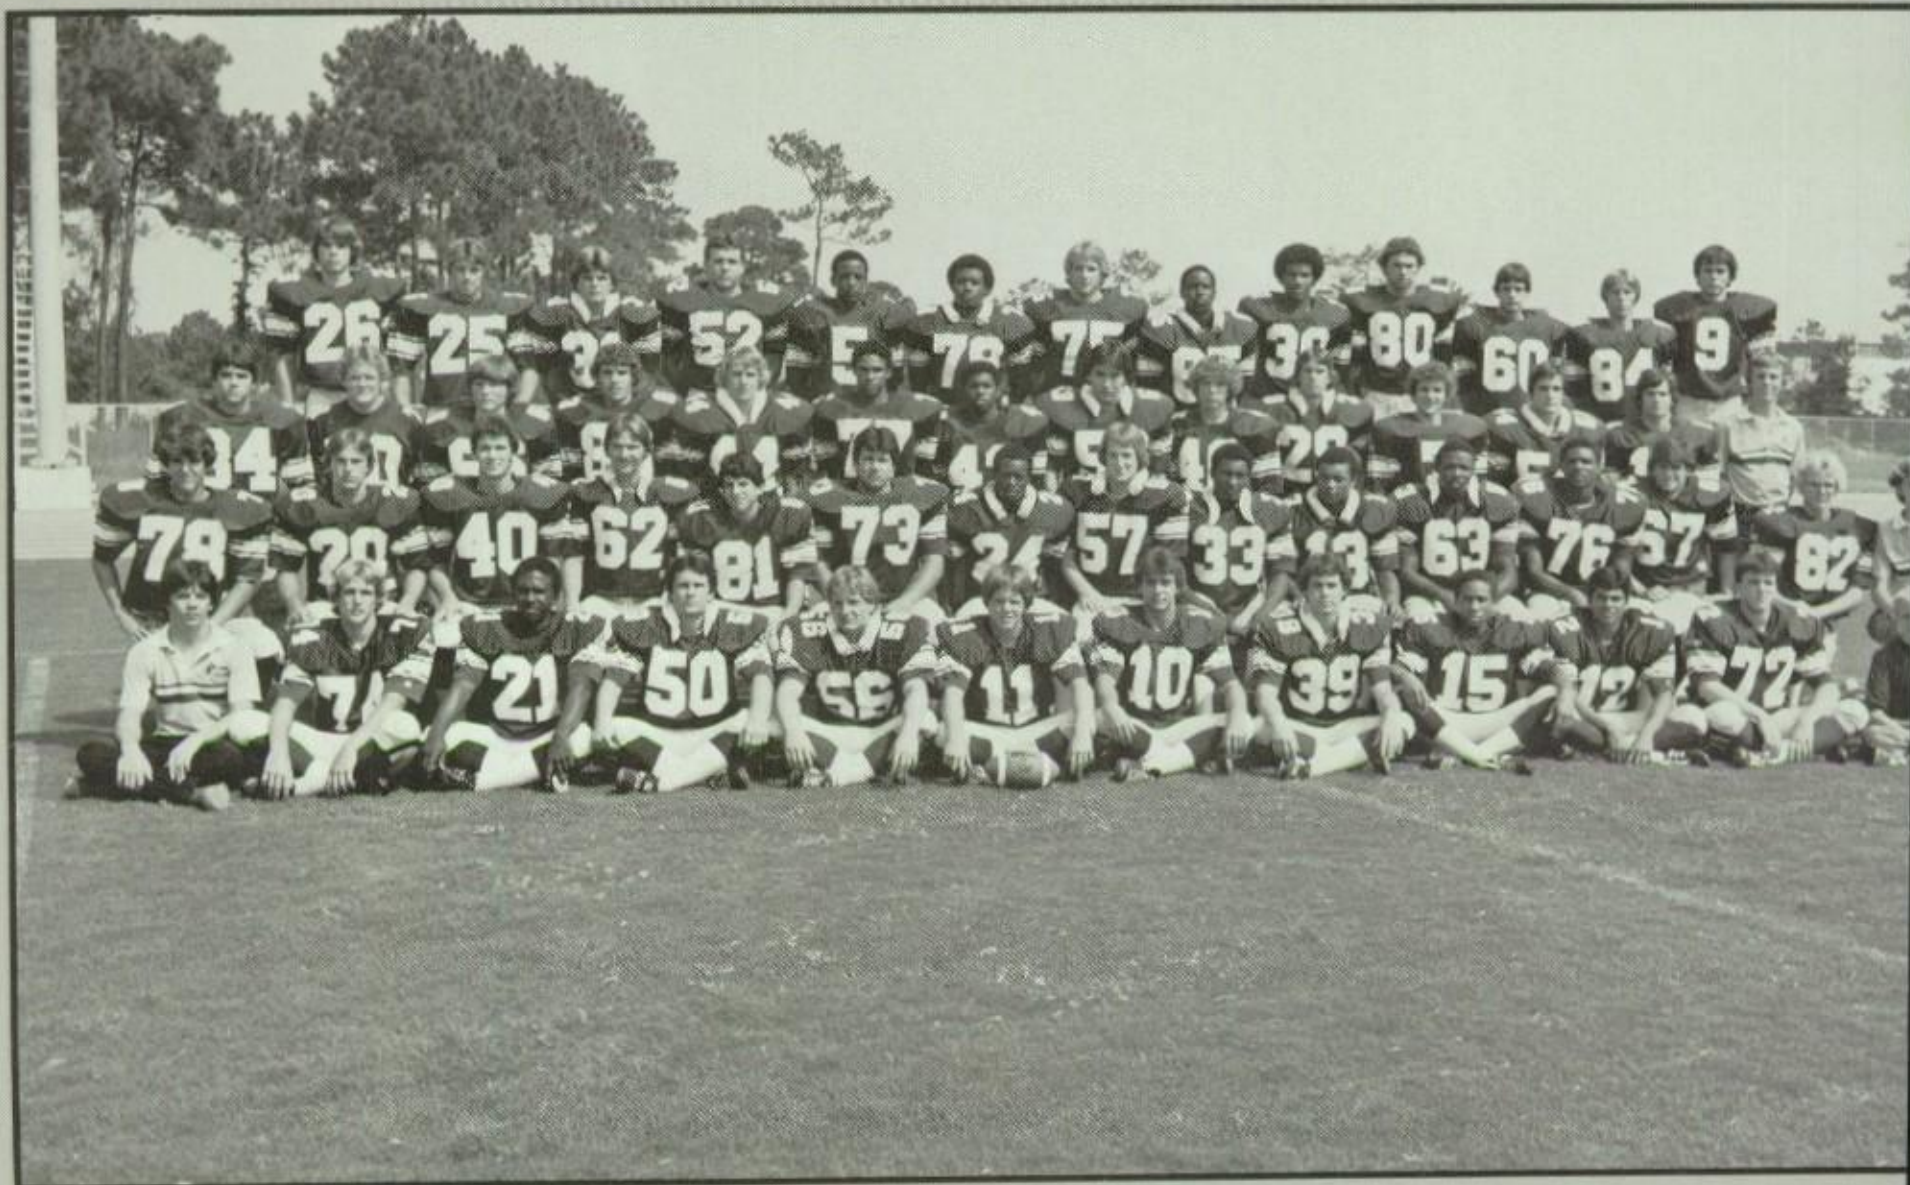

TATE — The Vikings suffered their third straight loss when they were defeated by the Tate Aggies with a score of 27-6 in Memorial Stadium. The only Fort Walton touchdown came in

the third quarter when Bert Reeves smashed through the middle and dashed 31 yards to paydirt. Charlie Smith had his best air showing as he hit on 13 of 27 for 146 yards.

MILTON — The Fort Walton Beach Vikings ignited as they burned the Milton Panthers 23-7. A Scott Mankewitz field goal and a James Dorman touchdown gave the Vikes a 10-7 half-time lead. In the second half, however, the mighty Vikes exploded with a touchdown from James Dorman and Joe Sharpe. Scott Mankewitz kicked 5 points.

We Had A Feeling For Victory

Glenn Stoltz weaves his way through oncoming attackers to put the Vikings in good field position.

Steve Tobik and Mike Miles bull their way to the end.

Victory has a good feeling.

It was sweet success for the Fort Walton Beach High School Vikings as they completed their season by posting a 14-7 victory against cross-town rival, the Choctawhatchee Indians. Although Choctaw took a 7-0 lead in the second quarter, Mike Miles came right back with a halfback option and tossed a 40 yard touchdown pass to Scott Parrish. Then just as the first half was coming to a close, Miles dove into the endzone from a yard out for what proved to be the winning score. Scott Mankewitz booted the extra point after both Viking touchdowns. The victory ended the Vikings' season at 6-4 but, more important, brought the Hudson Marina City Championship revolving trophy back to Fort Walton Beach High School after a two year absence.

Get In On The Action

The mighty Junior Varsity Vikings broke even in a competitive season when they completed their schedule with a 4-4 record. Under the powerful rushing record of Johnny Rudolph, the football team accumulated much yardage on the

ground. In the air Scott McGill passed from the quarterback position while Chris Effinger kicked the all important extra points. After a challenging season the players were ready for the step up to Varsity.

It Was Always A Good Show

There was a special feeling in the air this year. Much of this was due to the varsity cheerleaders. The squad willingly gave their time and energy to the various athletic teams and the school.

Last summer the cheerleaders attended the National Cheerleader Association clinic held at Auburn University. They received one of the coveted "Spirit Sticks", which are presented to squads

demonstrating the most spirit and enthusiasm throughout the week of the clinic. They also were selected as one of only five squads in 70 to receive the "Award of Excellence".

Regular duties for the cheerleaders included painting signs, selling spirit tags, planning those hilarious pep rallies, practicing, and cheering at the games.

The varsity cheerleaders say, "Cheese."

Reaching New Heights

The 1981-82 basketball season began shortly after the football season came to a close.

Practice started during the summer and intensified as basketball season neared.

Under the coaching of Ray Ross, who was new to Ft. Walton this year, the Vikings experienced both victory and defeat in their efforts to win the title.

With the support of the coaches, the faculty, and the fans, the Vikings kept up the winning tradition.

Leo Christian finds he is surrounded.

Steve Horton runs down the court.

Bernard Jones is flying high.

First row: Bernard Jones, Humphrey Williams, Chris Queen, Cliff Reynolds, Chris Ford, Ric Taylor, Second row: Jeff Scroggins, Alan Redmon, Leo Christian, Chris Wetjen, Trac Bumpers, Steve Horton, David Lewis, Eric Russ.

The Ups And Downs

Jeff Scroggins shoots high.

Chris Wetjen tries a one-handed shot.

Leon — Ft. Walton Beach scored six unanswered points to open the fourth quarter, built a 14 point lead, and then held back a late Tallahassee flurry as the Vikings posted a 60-49 basketball victory over the Tallahassee Leon Lions. The win was the fourth straight for the Vikes.

Leo Christian led the Viking attack with 14 points and five rebounds while Jeff Scroggins and Tracy Bumpers followed with ten markers each.

Gulf Breeze — The final score was 52-44 in the thrilling game against the Gulf Breeze Dolphins. Leo Christian ripped the cords for 22 points including seven points in the final period.

The Vikings went ahead 15-8 in the opening stanza with Christian's six points and five markers by Chris Wetjen.

Niceville — The Vikings faced defeat as the Niceville Eagles held Ft. Walton Beach by one point.

With 2:30 left in the game, Winfred Hogan, and Leo Christian attempted a comeback by bringing in 4 points. Steve Horton missed a jumper, but Hogan rebounded under the basket. The final score in the game came to 41-40.

Milton — The unbeaten Milton Panthers took advantage of overtime to nip the Vikings by two points.

Steve Horton tossed in a 20 foot jumper with time running out in regulation to knot the score at 40-40 and sent the game into the extra period.

The Vikings actually outscored the Panthers from the field 18-16 but lost

the free throw battle.

Escambia — Pensacola Escambia High gained a victory as they battled the Fort Walton Beach High School Vikings for a final score of 57-56.

With 4:17 to go in the third period, a three point play by Chris Wetjen knotted the score at 27-27 and with 2:32 to go the Vikes took their first lead of the game, 30-29, on a Steve Horton free throw.

At 48 seconds to play the Vikings continued, and baskets by Humphrey Williams and Jeff Scroggins cut it to 57-54 and a Gator turnover gave Ft. Walton the ball with six second to play adding two points to the final score.

Rutherford — Making good on 14 of 21 attempts at the free throw line, Leo Christian led the Fort Walton Beach Vikings to a thrilling 71-55 victory over the Rutherford Rams.

Bernard Jones pumped in 13 points and Chris Wetjen had 11 markers for the Vikings.

The Vikings jumped ahead to a 16-9 lead after the opening period and outscored the Rams 20-12. Rutherford opened its physical game plan and began fouling. The rams committed a total of 33 fouls throughout the game.

Woodham — Ft. Walton Beach hung on the closing seconds of a pulse pounding basketball thriller to defeat the Woodham Titans with a close score of 63-62.

The Vikings gained a 14-9 first quarter lead through effort by Leo Christian, Bernard Jones, and Chris Wetjen.

Senior Vikings

Jeff Scroggins will attempt a shot.

Bernard Jones seems to be skybound.

A Team Effort

Lincoln — Leo Christian sank a basket with four seconds left that gave the Vikings a 51-50 victory over the Lincoln Trojans.

The Vikes never trailed in the first half, jumping off to a 16-11 first quarter lead and held a 26-23 advantage at half-time.

Chris Wetjen pumped in 13 points and Christian collected 10 tallies to pace the Vikings well balanced offensive attack.

Mosley — Leo Christian scored a season high of 23 points, but it was a last second Steve Horton jump shot that lifted the Fort Walton Beach Vikings to a 49-48 victory over the Mosley Dolphins in their first District AAAA basketball encounter of the season.

Christian led the scoring attack with 12 points as the Vikes took a comfortable command midway through the final stanza.

The Vikings called time out, then brought the ball down court to Steve Horton who added the winning basket.

Choctaw — Chris Wetjen led the Vikes to victory against cross-town rival, Choctawhatchee.

Wetjen pumped in 19 points and the Vikings ran off nine unanswered points in the first quarter to take a lead they never lost.

The Vikings took advantage of Indian turnovers to break away from a 6-4 deficit and took a 15-4 command at the end of the period.

The Vikes made good on 10-of-14 free throws. Jeff Scroggins and Steve Horton both shot 4-of-6 at the line.

Crestview — The Vikes fell to defeat as they battled against the Crestview Bulldogs for a final score of 54-47.

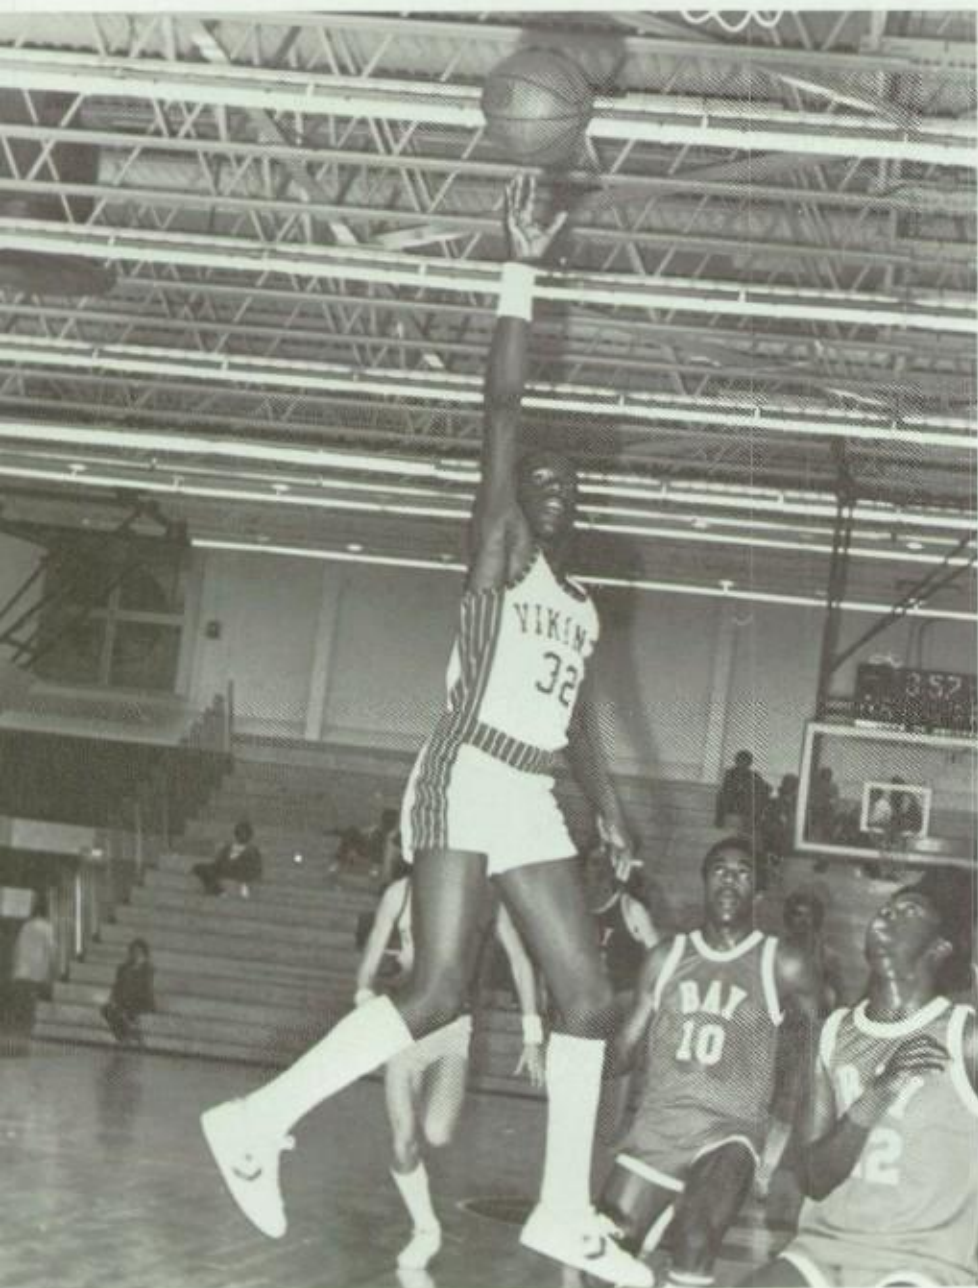

The Bulldogs took a 16-0 lead. After the initial eight minutes both sides battled to a 14-14 draw the second period and the bulldogs took a 30-14 edge at halftime. The Vikes did not get closer than eight points to Crestview.

Jeff Scroggins had his best night while pumping in 21 points with Wetjen and Steve Horton chipping in nine points a piece.

Niceville — Leo Christian and Jeff Scroggins led a third quarter charge and helped lift FWBHS to a 39-32 victory over the Niceville Eagles.

The Vikes ran off seven straight points to open the third quarter giving a 23-20 lead and went on to notch a 30-24 spread as the final period opened.

With 6:55 left in the game, a basket by Steve Horton gave the Vikes a 10 point, 34-24 lead. After that the closest Niceville could come was five points.

Shoot For Victory

Jeff Scroggins makes a quick turn.

Escambia — Steve Horton hit a 15-foot jump shot with four seconds left to play to lift Fort Walton Beach High School to a thrilling 44-42 victory over the Escambia Gators.

The Vikes tied the score at 42-42 with a minute left in the game. With 23 seconds to go, head coach, Ray Ross called time out to set up the final shot.

Leo Christian led the scoring with 12 points while Bernard Jones and Jeff Scroggins added eight points each.

Gulf Breeze — Steve Horton hit a jumper from the baseline corner with two seconds left to lift the Fort Walton Beach High School Vikings to a 44-42 victory over the Gulf Breeze Dolphins.

Gulf Breeze whittled away at the wall to pull within four points at 34-30 after the third period and then tied it at 38-all with 1:43 left in the game. The Vikes won another thriller.

Bay — The Vikes saw victory as they defeated the Bay Tornadoes.

Leo Christian led the winners attack and got them off to a 14-6 lead by the end of the first quarter. He had 13 points and nine rebounds for the

night.

Christian received help from Kevin Taylor and Tracy Bumpers who donated double digit firepower, and the Vikes enjoyed a 55-38 win.

Rutherford — Fort Walton Beach defeated Panama City Rutherford by one point with a score of 53-52.

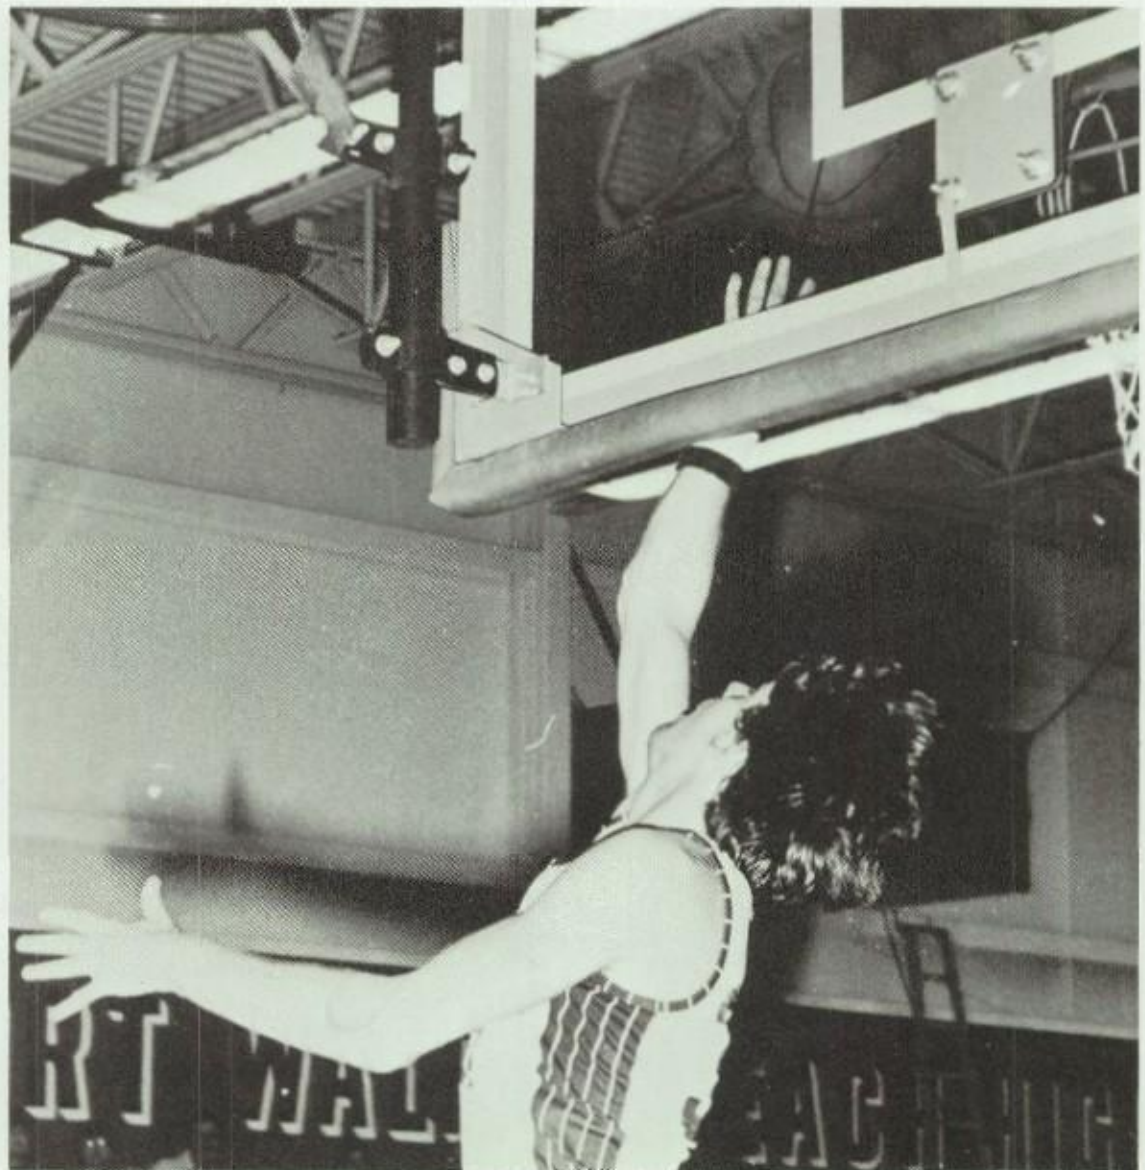

Steve Horton collected 15 points and Leo Christian added 14 points to lead the Vikes.

Bernard Jones and Jeff Scroggins aided the Viking scoring with 8 points each.

Woodham — Fort Walton Beach was defeated as they battled the Woodham Titans by a score of 48-45.

Chris Wetjen and Bernard Jones lead the Viking scoring with ten points a piece while Leo Christian, who grabbed 14 rebounds, added nine markers and Jeff Scroggins had eight.

The Vikes got the ball to midcourt and called time out with ten seconds to go. Fort Walton Beach went for another one of its now patented last second wins with a shot at three seconds, but they missed their mark leaving the Vikings with a defeat.

Chris Wetjen uses quick maneuvering to sink another two points.

Dribble . . . Dribble . . . Shoot!

The 1981-82 junior varsity basketball team was a team to be remembered. Headed by Coach Greene, the players, new and inexperienced in high school basketball, started their training early. Through hard work and many hours of dedicated practice during the summer and after school, the team achieved their goals for a successful season. The achievements could be attributed to working as a team while preparing for the varsity. Junior, Ricky Taylor and sophomores, Alan Redmon and Marcus Finely, led the team to many victories. When the J.V. faced cross-town rival, Choctaw, the game went into FOUR overtimes, and the Vikings came out ahead of the Big Green.

Shoot The Hoop

The Lady Vikings were a young and exciting team to watch with only two seniors starting. The Vikes began the season by storming past the Rutherford Rams 72-73 and Pensacola Tate 62-46. The lady cagers then lost to defending state champ Washington by a narrow 58-52 score. After impressive wins over Escambia and Bay, the ladies were ranked ninth in the state poll.

The team started 1982 with a loss to a tough Niceville team but came back with a victory against Milton and a big district win over Mosley 57-44. Diana Lister, Stephanie Dorman, Kristy Russell and Cindy Warnock were all instrumental in the Mosley win as well as other wins all season long. Seniors Dixie Darr, Toni Griswold, and Marcie Wrench provided the leadership and experience so essential to a successful team concept.

After a heartbreaking loss to Choctaw by a 36-35 score the Vikes came back with three impressive wins over Woodham, Bay, and Gulf Breeze setting up a district showdown with the Indians at their gym.

With a stellar performance from Diana Lister, the Vikes thoroughly trounced Choctaw by a 44-32 score. The lead was 17 points in the fourth quarter. Other standout performances were turned in by Dorman, Wrench, Darr, and Warnock.

The Vikes were firing on all cylinders as they prepared for the district tournament.

As soon as practices began, the tennis team's enthusiasm provided the motivation needed for a rewarding season.

The elements failed to dampen the spirits proving that tennis is not only strenuous but fun. The Viking team, consisting of sophomores, juniors, and seniors, put together a winning combination throughout the season. Under the instruction of Coach Don Hicks, the team scored many victories.

SOCCER: At It's Best

Through the past 10 years, soccer has evolved as the world's most popular sport. Played in every country, the sport gained popularity as youth soccer swept the country at all levels. The Fort Walton Beach High School Soccer Team, coached by Terry Breed and Jimmy Mueller, enjoyed their second successful season.

Only three Viking starters returned but that trio included central defender, Eddie Walenta. New recruits include sophomore Tom Paul from the area youth leagues whom Breed said "should make all-district", and two valuable transfer students — Jeff Kerr, and Derrick Tony. In addition, brothers Gary and Wayne Kvintus, helped to give the team a balanced attack. Judging from the response of the school and community, this fact moving sport will be around a long time.

Baseball Fever . . .

With the look of winners, the 1982 Viking baseball team took to the diamond under the direction of Head Coach, Bob Kellogg, and Assistant Coach, Tommy Britt. The coaches and returning lettermen, Charlie Smith, Mike Miles, David Goodfellow, Mike Ward, Bernard Jones, and Joe Anderson, along with the other excellent players worked hard to bring out their very best during practices and games. The hours of preparation paid off with everyone striving for excellence. The team kept the winning tradition alive while enjoying a successful season.

Catch It!

Take It To The Limit

Does running 10 miles in ninety degree heat sound like fun? To some this may sound like an absurd thing to do, but this year's cross country team did not let such obstacles discourage them.

The Vike runners began training about two weeks before school started. In his first year of coaching high school cross country, Coach Frank Kubitz led the Vikes through the most successful season in recent years. Coach Kubitz showed a great deal of conviction in his workout schedules and in his individual advice. As a result of this and the many

hard miles of training, the boys squad, comprised of six experienced seniors, went through a winning season climaxed by a second place team finish at the district meet. This effort sent them to Tallahassee where they ran into some tough competition but managed to come out with a tenth place. For the first time in the history of FWBHS there was a full girls team, made up of two seniors and three sophomores. Winning fourth place at districts qualified the girls for regionals. After the season, the team missed all those nights "carbing up" on pizza before races.

Tracking

Early in the semester when most students were sitting home trying to stay warm, the Viking track teams were outside preparing for the upcoming season. Despite the pain and agony of getting back in shape, spirits were high in anticipation of that first meet. These hard-working young men and women realized that nothing worthwhile came easy. With this in mind they strove for perfection by putting their bodies through vigorous physical conditioning before and during the season. Muscles were strained and pushed to their fullest potential so that the runners were successful in their attempts to defeat the competition.

A Year At The Top

The 1981-82 City Champions, with the excellent record of 14-5, were the Vikings! The girls' softball team, with the aid of Coach Ann Cannon and Coach Kevin Craig, defeated cross-town rival Choctawatchee in their climb to the top. Senior Kim Richards received the "Most Improved Player" award while senior Toni Griswould received the "Hustle" award. The "Most Valuable Player" award and the "Leading Hitter" award were presented to graduate Sheila Ponder.

It's Worth It

While the weather was still extremely cold, the swim team members plunged into the unpredictable water temperatures. Long before regular season started the members were staying after school to do stretching exercises, running and stroke instruction. This was just the beginning of a demanding season.

Swimmers left the school after fifth period to swim until 3:30, and on selected days a tiring jog followed. The U.S.A. swimmers swam all year round with practices in the afternoon and morning.

The diving team fought not only cold temperatures but also the brisk winds. The divers had to learn at least 11 different dives with each having a certain degree of difficulty.

This season brought forward a lot of young, strong swimmers after a successful (13-3) season. The team would have never been so successful without the dedication of the coach, Mrs. Britt. This year Tommy Bowers, an assistant coach, came on his own time to help all the serious participants.

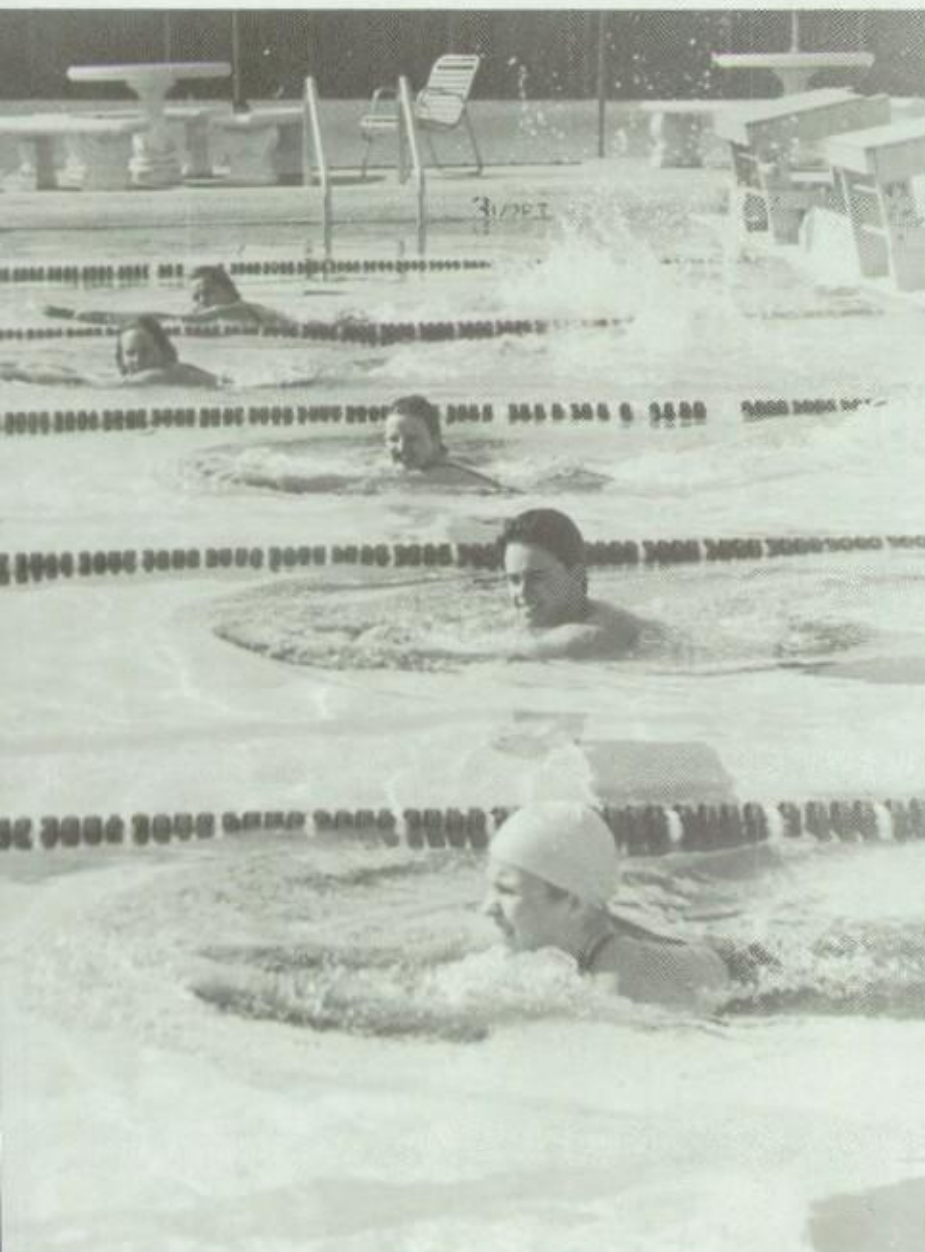

Throughout the season, the swim team members participated in stretching exercises before they began their tiresome practice.

The few chances to play water polo was always looked forward to, since it took time away from swimming.

Wrestling: A Lot More Than Tough

The 1981-82 Fort Walton Beach High School Wrestling Team showed us the real meaning of competition. The unique rivalry of one man pitted against another was realized in this sport and the school's wrestlers proved what competition really means.

Although every match did not turn out the way the team wanted, there was still that feeling of pride expressed by each of the team members. With the guidance and support of Coach Paul Pope, the season ended with each individual feeling that he had accomplished a great deal.

The student's skill, condition, interest, prevention of injuries and rapid development of competence are all factors in becoming a Viking wrestler.

Junior Gentleman, Raman Azizian; Junior Gentleman, Philip Gray; Sophomore Gentleman, George Theodore.

As the school year began, the Anchor Club of FWBHS made plans for a productive year starting with a membership tea in September. The new members were inducted into the club through formal and informal initiation. The initiates dressed in traditional "boat" attire during school. An initiation was held at a local restaurant to install the new members. Anchor sold M&M's and key chains as successful money-making projects for the year. For Homecoming, they entered a float and painted spirit signs throughout the football season.

At Christmas members helped renovate an apartment in the Congregate Living Center of FWB. They also gave a Christmas party for children with Cerebral Palsy at the Valparaiso Elementary School. Refreshments were served to the children while Santa and his elves entertained. Anchor sponsored Tammy Fondren in the Miss FWBHS Pageant held in February.

In the spring, they held a "Pirate Kidnap" where club presidents were kidnapped by Anchor members. When a ransom of dog or cat food for the FWB Humane Society was donated, the presidents were released. The year ended with an appreciation tea for the faculty and administrators.

Most of the year was spent in preparing for the statewide Youth Legislature Conference

in Tallahassee. Each eligible member was required to write a debatable bill and present it before members from other Y-clubs in the state at Youth Legislature.

In October, Coed-Hi-Y went on a canoe trip down the Blackwater River with Mu Alpha Theta. Before Christmas, members sold "flower grams" with the buyer's own

German Honor started the year by entering a float in the Homecoming parade. The club earned money by selling advent calendars and Gummi Bears.

A program designed to familiarize students with German customs was "Total Immersion." This involved a week end camp over where only German was spoken, German foods were prepared, and German customs were practiced. In February, an International Dinner was held in which students studying different foreign languages participated.

I am unable to handle much more of this exciting initiation.

Interact joined up with Wheelettes to help with the First Annual Okaloosa County Road Run.

Once again Interact continued providing service to their community and school.

The club was filled with young men with much athletic ability, who all had to go through an initiation. The members helped promote school spirit by entering a float in the Homecoming parade as a dual project with Wheelettes. Also, Interact played the annual football game against the Key Club.

The Interclub Organization Council, composed of the club presidents, at Fort Walton, regulated and coordinated the activities of clubs.

The club invited guest speakers to talk to its members about inventive fund raising activities. Working with the Salvation Army, the club sponsored the canned food drive. The "Club of the Year" was selected through I.O.C.

LEO

Sponsored by the Sonic City Lions Club, the Leo Club worked toward school and city improvement. Initiates dressing as "Pillsbury Dough-boys" started the fun. Many members were scorekeepers for the Lions' Annual Bowling Tournament. At Christmas the members dressed as elves and followed Santa Claus, Stuart Shouse, to Edwins Elementary School where they greeted the kindergarten children with candy and friendly faces. Several of the members attended the state convention in Clearwater.

Angie Rice represented LEO in the Miss FWBHS contest.

"Pursue Tomorrow's Potential" was Key Club's theme and objective this year. Every member helped accomplish this goal. To help carry out this theme over the summer, members held torches in the Billy Bowlegs Parade. Early in the year, new members were chosen and were required to know twenty-four key facts. After the new members were installed, Key Club helped in a children's halloween party, parked cars for the Woman's Club, sold "Scalp the Indians" bumper stickers, made a slide presentation for the Miss FWB Pageant, helped with the Kiwanis Pancake Day, and found jobs for many high school students. Some members went to Daytona in May for the Florida District Key Club Convention. Dr. O'Neal was again the clubs supervisor.

Keyettes

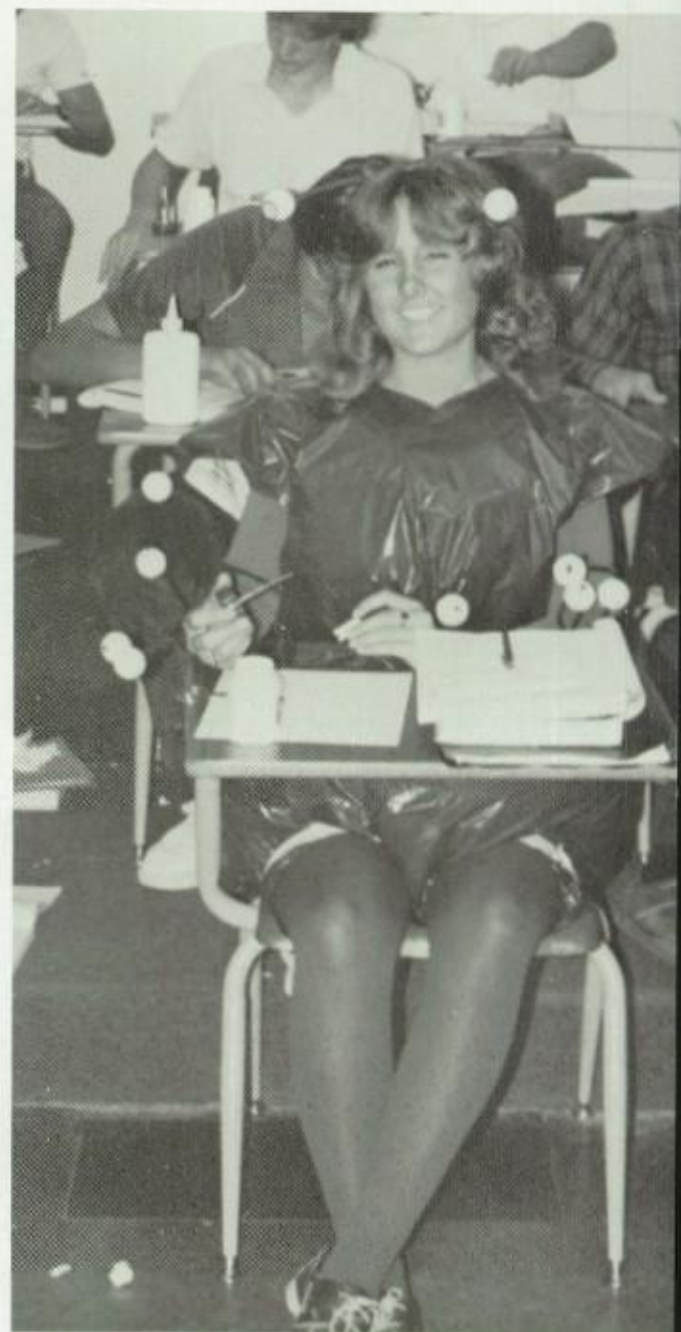

Miss Humphreys and Pattie Sambogna have some ideas.

Karen Baker has another problem for Pattie Sambogna.

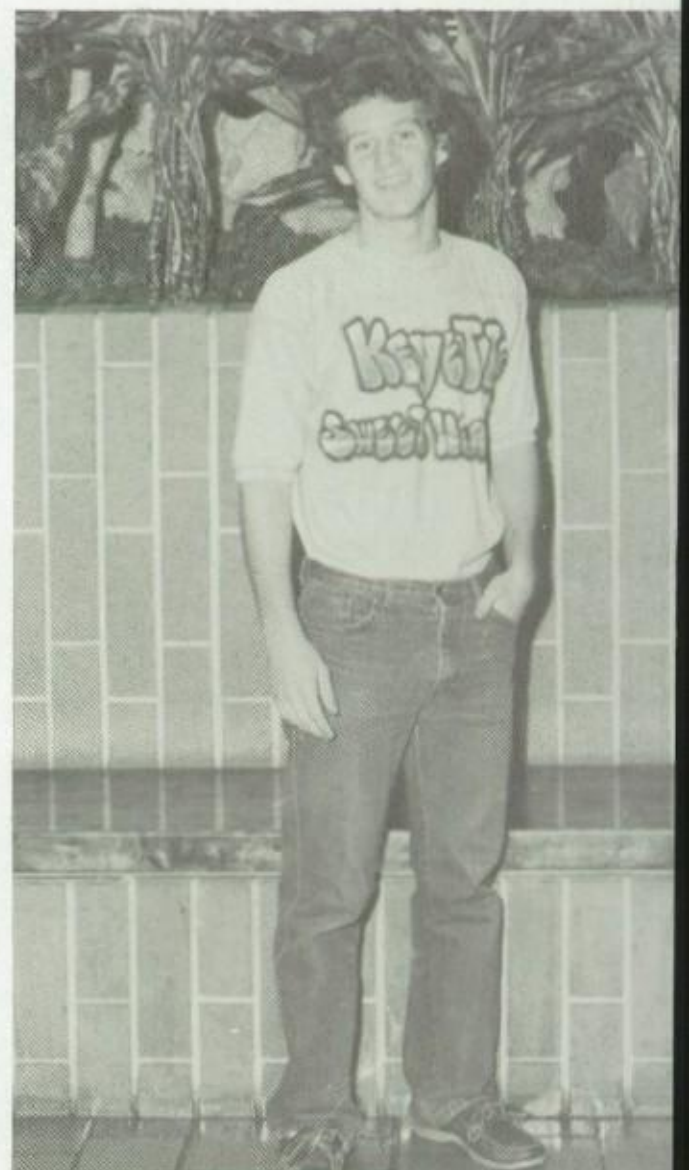

As soon as each new Keyette member was initiated by dressing as worms and entertaining both lunches, the club was in action. After getting to know one another and the new sponsor, Annette Humphreys, Keyettes began providing services to both the community and school.

Over the summer, the Keyettes worked for the American Cancer Society on their annual Cancer Cablethon, but the work for the Cancer Society had not ended. The club also supported the Society's Great American Smokeout by distributing buttons, stickers, and posters for the Cancer Society. Later, Keyettes set up the Ferry Park Recreation Center for a Halloween party and then served 150-300 children. Keyettes also showed Christmas spirit as they donated food and gifts to the Mental Health Association.

Throughout the year, the Keyettes put strong emphasis on supporting the "Vikings". Both the football team and basketball team regularly receives goodie bags as spirit boosters from the Keyettes. Members also painted signs for pep rallies and games.

If only my friends could not see me now.

Paul Curtis was chosen Keyettes' Gentleman.

Science Honor was designed to expose the science interested students to various scientific fields so that they may become personally involved in their own fields of interest.

Many speakers came to talk with the members about science

related fields. One guest was Dr. Philip Bulmer, Veterinarian at Friendship Veterinary Clinic. Community services were part of the many projects of Science Honor members. This year members contributed dog food to the local Humane Society.

Octagon Club, a vehicle young men and women may use to become active and involved in solving problems that challenge the community and society, remained busy although it was only the second year the club has been in existence at Fort Walton Beach High. The Optimist Club of Fort Walton Beach sponsored the club. Although certain guidelines are suggested, the membership of each Octagon Club designs its own program of involvement and conducts the operation of the organization.

This year after the officers were elected, the members began initiating new members into the club. After new members were installed, projects such as designing a turkey shoot and making Christmas decorations for the Gulf Coast Convalescent Home were organized. Mrs. Miles and Mrs. Prescott were again the advisors for the club.

The students who were part of a school publication or had any of their literary work published were eligible to become a member of the nationally recognized Quill and Scroll. To remain in the club a "B" average is required. Most of the students were on the **Valhalla** annual staff, the **Northwind** newspaper staff, or contributors to the school published **Inspectare**. Roxanne Bolduc was chosen to represent Quill and Scroll in the Miss Fort Walton Beach High School Pageant. The new members were installed at a formal candle-light ceremony at the sponsor, Mrs. Brock's house.

The National Forensics League consisted of students interested in speech and debate.

NFL traveled to Tallahassee in September to compete in their first speech tournament of the school year and in October, the team went to Auburn University. During the Choctaw/Viking week, they sponsored the "Tar and Feather the Indians Contest." In January, NFL hosted their own tournament which brought many speech teams from area senior and junior high schools. Later that month, they went to Troy State University to compete. On February 13, the league ventured to District competition held in Pensacola.

Officers: Vice-President, Charlene Smith; President, Lori Gordon; Secretary/Treasurer, Stephanie Nunn.

Heidi Cline and Paul Merrill prepare for their coming speech tournament.

The Thespians began the school year with auditions for interested students. The first activity was their annual Halloween face painting at the Santa Rosa Mall. The group invited area high school drama clubs to a party at Liza Jackson Park. Members performed storytime twice a month at Edwins Elementary School. Spirited Thespians stayed active during the football season by painting signs for every game and entering a float in the Homecoming parade.

A candlelight initiation was held in December where musical, dancing, and dramatic arts were performed for the parents and friends. Thespians sponsored the school play **Reynard the Fox**. Members collected pledges for their first annual "Rock-a-thon" where they rocked for 24 hours and held an arts and crafts festival in the high school parking lot. The proceeds from these fund raising projects financed a January trip to the Florida Theatre Conference in Miami. This was the first time FWBHS was represented at the convention. In March, Thespian Honor sponsored the school comedy, **Arsenic and Old Lace**.

After being elected into the club, Wheelette initiates appeared throughout the school as "Miss Piggies." This humorous beginning was followed by many serious community service projects. Each member spent time collecting donations for muscular dystrophy, manning check posts for the School of Hope Walk-a-thon, and giving parties for handicapped children.

Throughout the Wheelettes' busy schedule, they still had time for fun such as building a Homecoming float and having parties with Interact, their brother club.

Mu Alpha Theta, designed as an honor club, is sponsored by the Mathematical Association of America and the National Council of Teachers of Mathematics for the promotion of scholarship in and enjoyment of math among high school students.

Many mathematical activities went on during the year. Members took part in the Florida Mathematics League Test, and the Annual High School Mathematics Examination. The high scorers traveled to Andalusia, Birmingham, and Pensacola to participate in tournaments. Candy sales provided funds for the activities.

Beginning with long, hard practices on July mornings and ending with a spectacular performance at the opening of the 1982 World's Fair in Knoxville, Tennessee, the "Pride of the Miracle Strip" undeniably earned their name. The marching Vikings showed their award-winning style that gave FWBHS the recognition and pride it deserves. Their exciting halftime shows featured intricate formations and difficult routines by the auxiliary units.

Under the direction of Ernest Hebson and Tim Willis, the marching Vikings performed many crowd-pleasing songs such as "Temptation," "New York Fantasy," "Hello Dolly," and "Over the Rainbow." Band parents and students also held many fund raising projects and public services such as selling fish fry tickets, McDonald's Day tickets, Christmas candles and ornaments, and citrus fruits.

The Finest

Throughout the past years the school and community have had the pleasure of hearing fine choral groups, but this year was a very special year because the Fort Walton Beach and Choctawhatchee choruses combined talent presented songs from **The Messiah**, a "sacred oratorio." The choruses' 175 voices performed twice, once at each school.

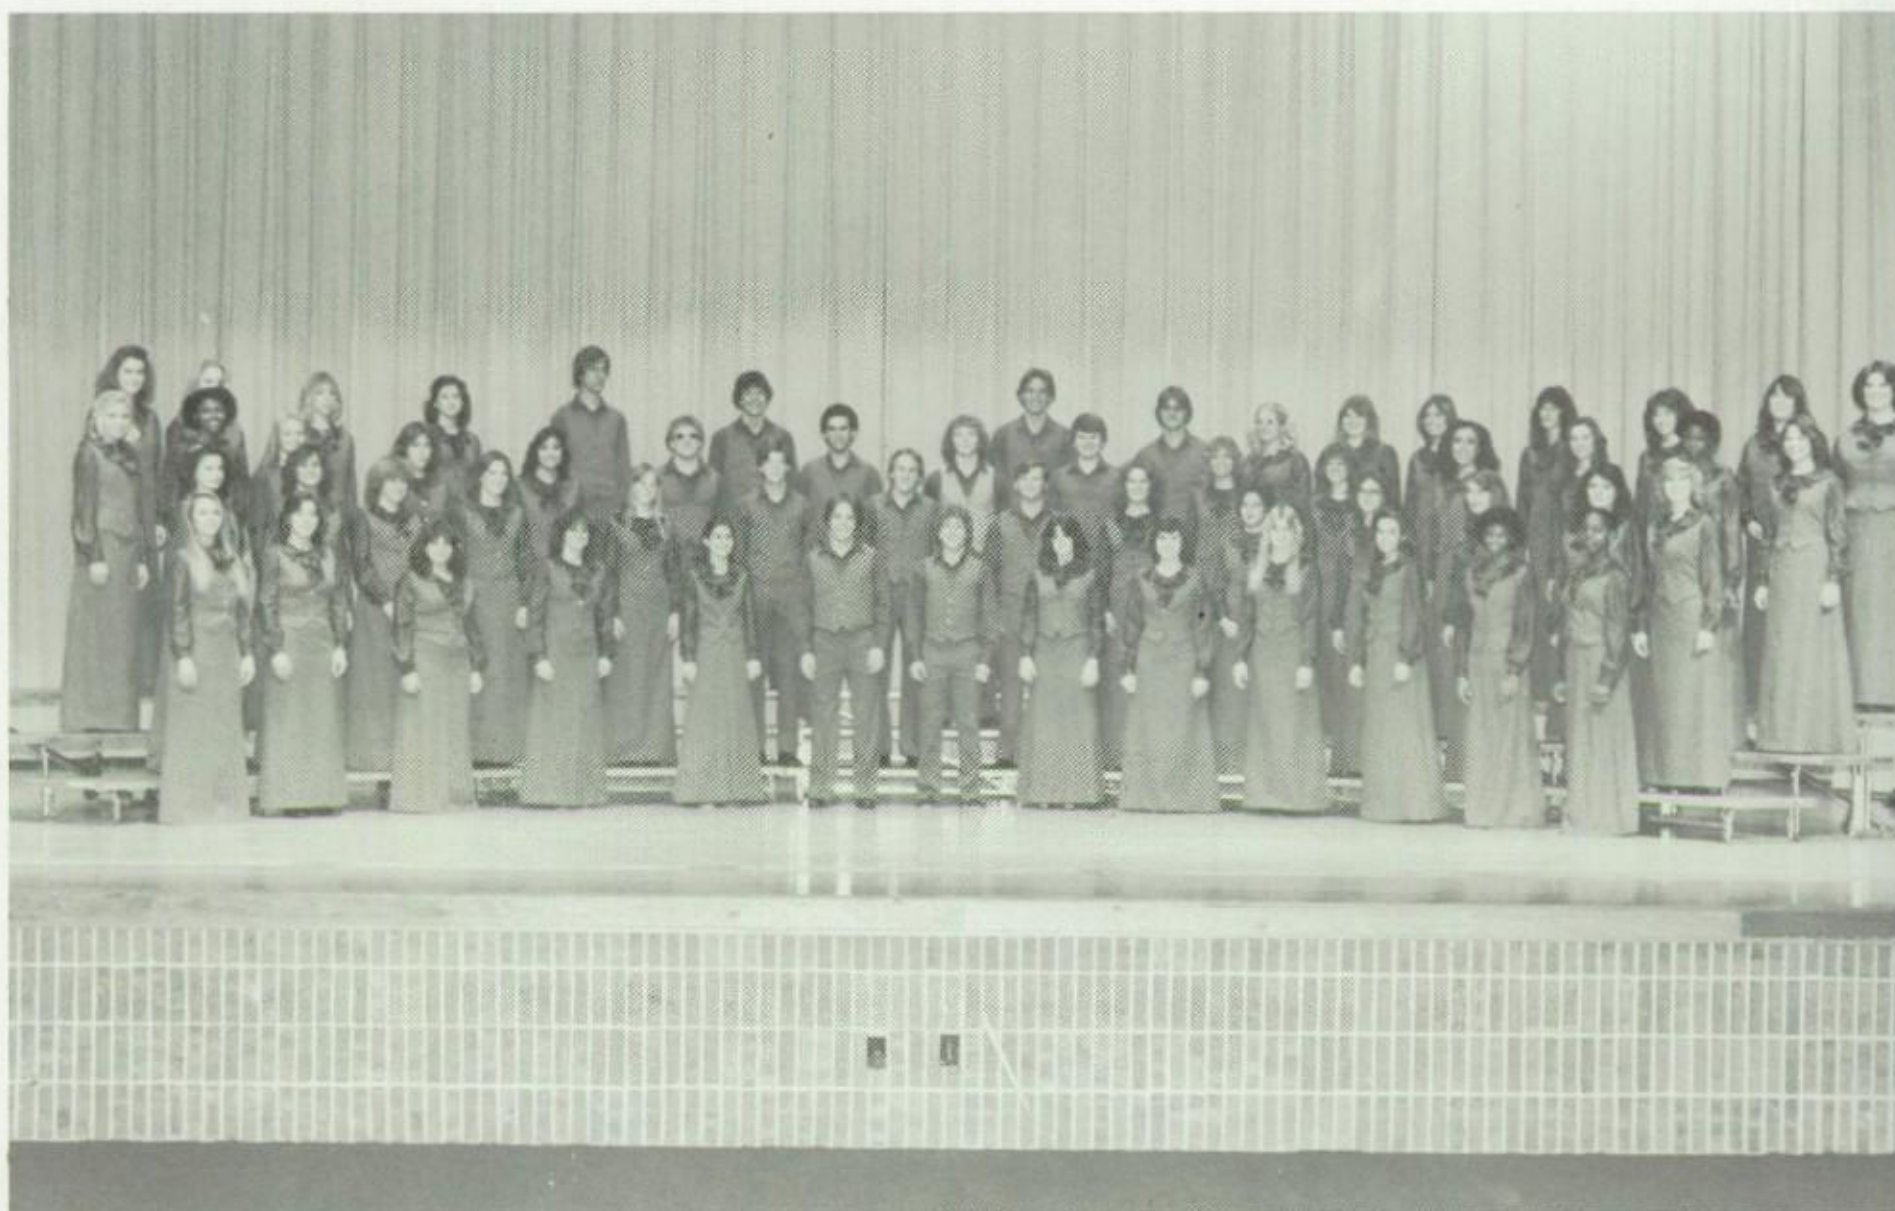

The Voices of Valhalla performed at the Ramada Inn for the United Way Convention and entertained at a pep rally.

Chorus members practiced hours for their performances.

Getting the Homecoming program in order was one of Mr. Hicks' duties.

Mixed Chorus First row: Samantha Lawton, Lynn Churillo, Theresa Ivey, Sandra Schroeder, Marybeth Blackman, Worth Davis, Spencer Raffael, Cindy Gibson, Sherry Blackwell, Gina White, Michelle Butler, Fran Williams, Sara Ousley. Second row: Donna Whiteley, Shawn Melton, Kathy Deaton, Allanah Johnson, Sheila Janca, Matt Givens, Randy Fillingane, Scott

Jones, Gracie Parker, Gala Waters, Janice McCloud, Stacie Vaughn, Pan Powell, Nancy Bown. Third row: Jane Cox, Jackie Mercer, Tammy Breed, Robin Stevens, Coleen Powell, Robert Stacy, Craig Tingle, Reese Smith, Steve Junger, Tammy Fondren, Jennifer Staats, Heidi Cline, Rhonda Johnson, Robin Wise-

man, Brenda Andrews. Fourth row: Jodie Anderson, Angelique Scott, Kelli Buck, Jill Baughman, Rodney Marshall, Jim Harkins, Darrell White, Drew Fischer, Kathy Frederick, Suzy Chislette, Jenny Filer, Pam Jones, Laurie Nelson, Christine Williams, Sally Anthony.

Is Chorus First row: Samantha Lawton, Lynn Burillo, Theresa Ivey, Sandra Schroeder, Marybeth Ackman, Cindy Gibson, Sherry Blackwell, Gina White, Michelle Butler, Fran Williams, Sara Ousley. Second row: Donna Whitley, Shawn Melton, Kathy

YOU'LL LOVE IT!

CONGRATULATIONS - Kara,

well It has been fun having you in class
and I hope to have you in a class next
year. I hope that you have a very fun
and happy summer. It's the end of the
year and were still not out of school. Well
I hope that every thing goes right for
you in life.

Love
Chris [Signature]

To the class of '82
"84"

Kara,
This has really been
a quick year - I hope
your junior year is as
fun as mine was. We
have had some pretty
tiring times together,
tripping on the bleachers
at the baseball games &
during the dreaded "Dodge"
line sure I'll see a lot
of you this summer & will
have to go out again - I'll
drive! Have a fun summer!
Don't pick on Rodney!
Love ya,
Christina

 understand,
 For caring for me when I was sick,
 For helping me survive growing pains,
 For allowing me to be my own person,
 For giving me those things that I
 wanted,
 For taking me on all those trips
 around the country,
 For letting me take the car when you
 wanted to use it,
 For all those little things you've
 done for me,
 And more important, for giving me the
 breath of life.
 But most of all, thank you for being
 there whenever I needed you.

I love you both always,
 Valerie

When this page was turned in, months of working long hours were ended. Though being the co-editors of this yearbook kept us busy, we found time to get to know each other and become better friends. Many times, we had our differences, but we eventually worked them out.

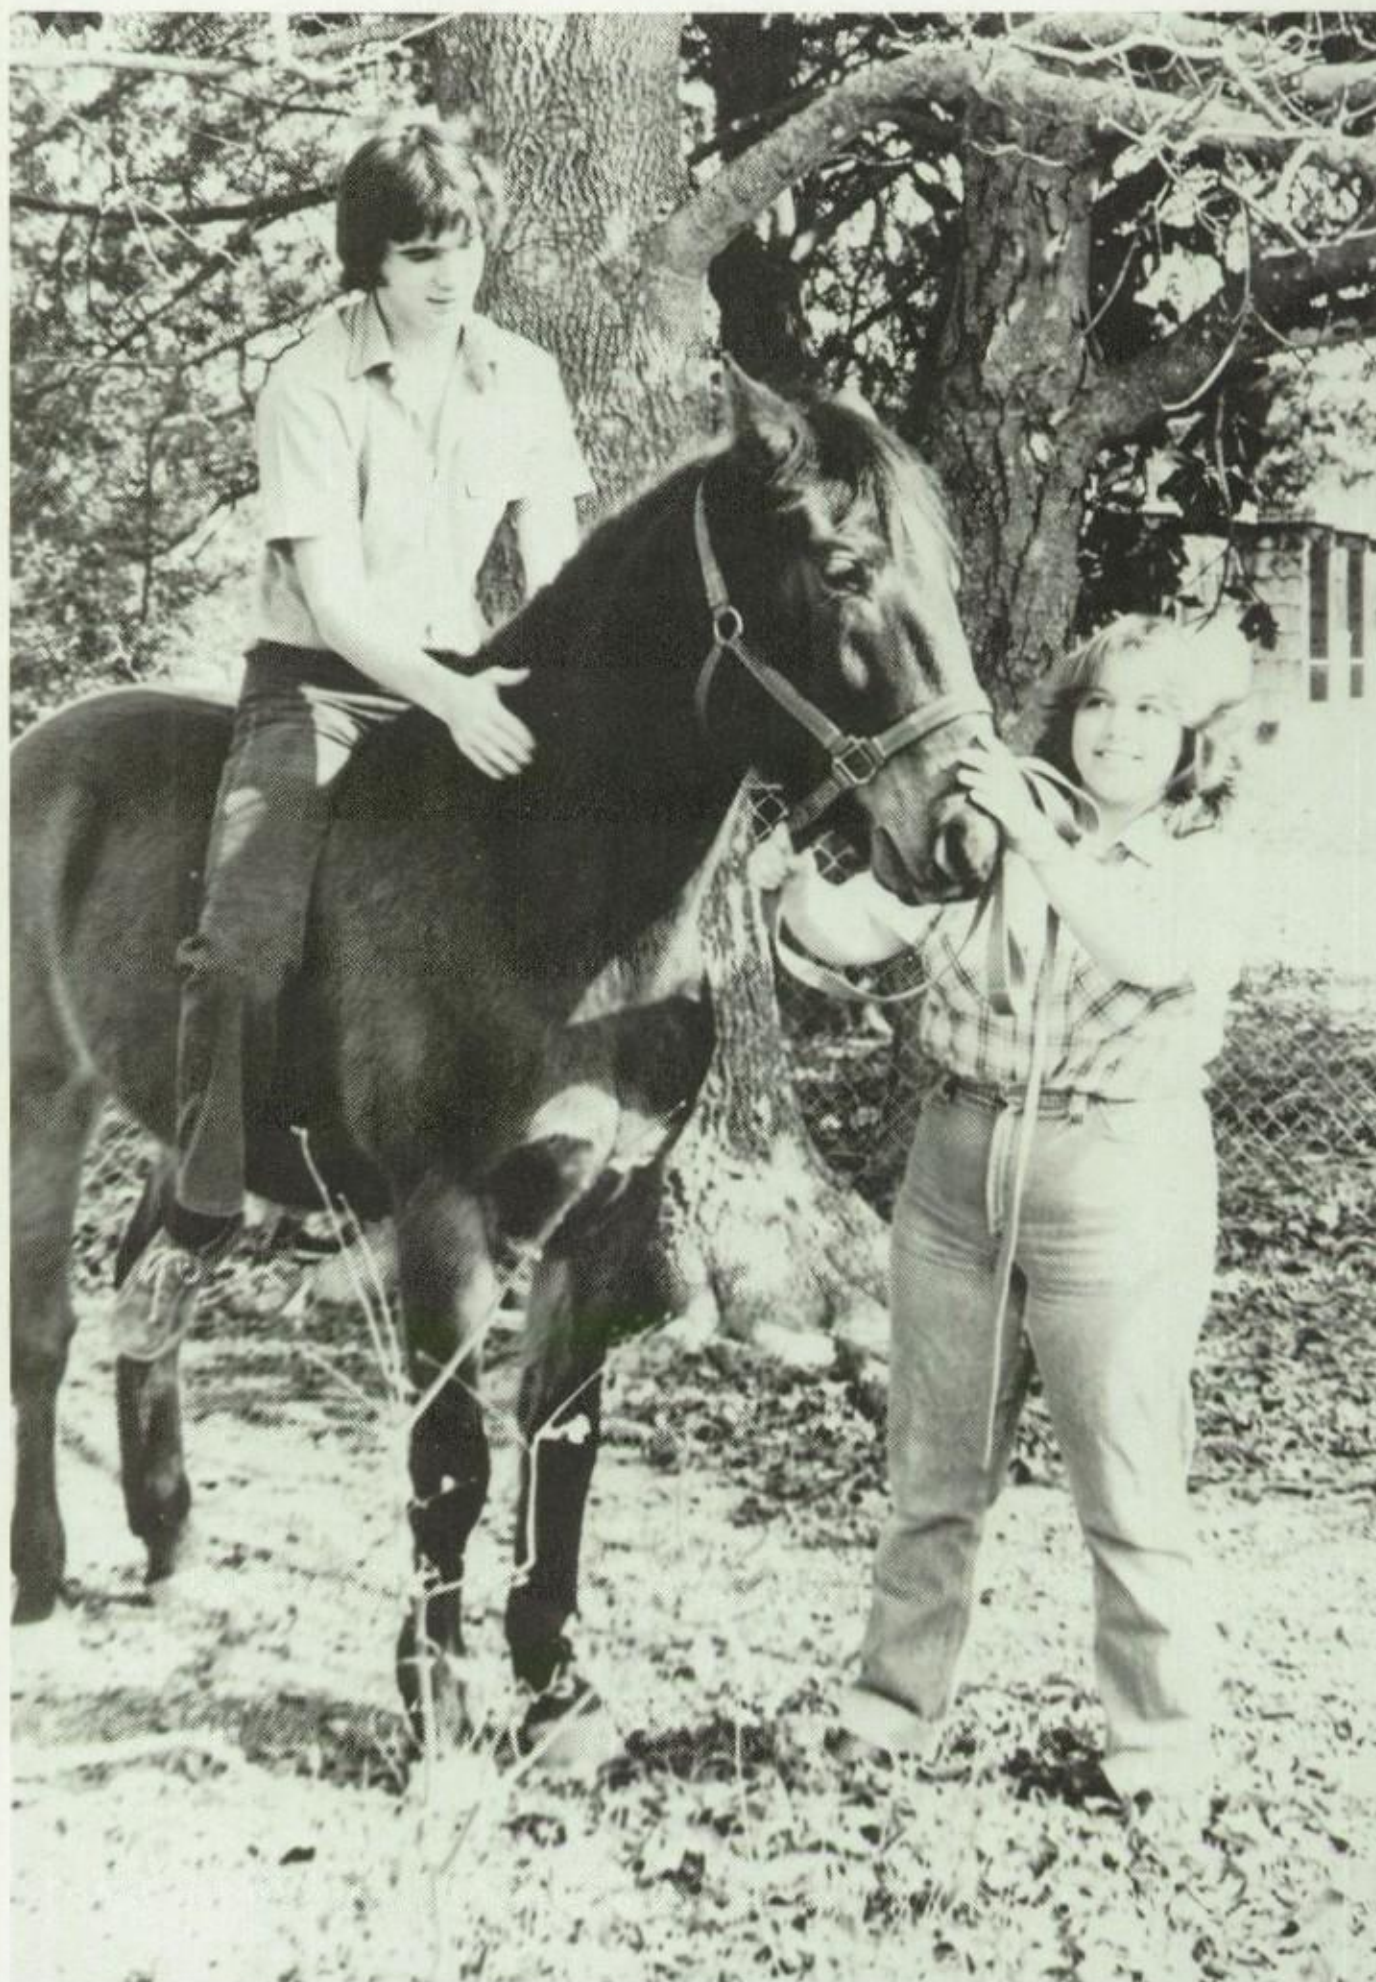

We would especially like to thank Mrs. Hannah and Mrs. Christopher, who patiently tolerated our constantly changing moods and decisions, and their husbands, who let them spend many hours away from home to work on the yearbook. Also, we never would have made it without our representative, Jerry Gibbs, who was always there when we needed him.

We are grateful to our staff members for the hours of hard work they put into producing this book. Though most of them were new members, they did an excellent job.

To our parents and close friends who helped us through the pressure situation of many deadlines, we would like to put in an extra-special thanks.

Many people contributed to the production of this book, and we know we cannot name them all; however, we would like them to know we appreciate their help and co-operation.

Kara,
I've known you since 9th grade. That sure was fun
in Edum, Uh? Somehow habits formed (from vocab) in that
class continued on over to Hecker! Thanks for all
the "quiz" help you've given me. ~~It~~ was fun going
to games and hanging around you. The good 'ole times!
I really wish I could relive this year 'cause it was a
blast!!! I'll be going to Texas for two years, so you
better write and keep in touch. Remember all the gossip
we would get into! Thanks for having to put up with
me! I hope you have fun in junior and Senior year
and remember me "While you're partying. Keep up
Hecker "philosophy"! I really mean this! — KEEP IN
Touch!!! All my love and wishes for the future
Friends and love always,

Carisa

Kara,

I hope that your years at Fort Walton will be super. I know you will grow up to be a Spanish teacher, right? One day I'll walk up to you and say "Cono' se llama?" and I'll expect you to tell me. O.K.? It was great having you in Spanish! You're a super sweet person. Take care of yourself! Love,

Kim
McNulty

Kara,

I'm glad I got you in my DE class this semester. You're crazy and real sweet. I don't think I would've made it without you and Kelly + Susan. I hope you have a fantastic summer taking care of yourself.

Co" me Love
244-3444 for
 ^{ed} love
